Citroën Relay Expert Buying Guide UK

Everything You Need To Know Before Buying One Of The UK's Most Practical Large Vans

Introduction

The Citroën Relay is one of the UK's most popular large commercial vehicles, trusted by businesses that require maximum practicality, carrying capacity and dependable performance.

Designed for businesses that need more space than a medium van can provide, the Citroën Relay is a reliable choice for tradespeople, delivery companies, fleet operators and professionals who need a capable working vehicle.

With multiple body lengths, roof heights and specifications available, the Relay can be configured to suit a wide range of business requirements.

At DT Automotive, we understand that choosing the right van is an important business decision.

The ideal commercial vehicle should provide:

- ✓ The correct load capacity
- ✓ The right specification
- ✓ The features your business needs
- ✓ Reliable performance
- ✓ Strong long-term value

This guide has been created to help UK businesses understand everything they need to know before choosing a Citroën Relay.

DT Automotive Verdict

The Citroën Relay is a highly practical large van designed for businesses that need maximum space and flexibility.

It delivers:

- ✓ Large load capacity
- ✓ Strong payload capability
- ✓ Comfortable driving position
- ✓ Competitive running costs
- ✓ Excellent business practicality

For customers requiring a dependable working vehicle, the Citroën Relay remains a strong choice.

1. Why Businesses Choose The Citroën Relay

The Citroën Relay has become a popular choice throughout the UK commercial vehicle market.

Businesses choose the Relay because it delivers:

- ✓ Excellent carrying capacity
- ✓ Practical design
- ✓ Reliable performance
- ✓ Cost-effective ownership
- ✓ Versatility

Popular industries include:

- Builders
- Electricians

- Plumbers
 - Couriers
 - Delivery companies
 - Fleet operators
 - Maintenance businesses
-

Maximum Load Space & Practicality

One of the biggest reasons businesses choose the Citroën Relay is its impressive carrying ability.

The Relay provides:

- ✓ Large load area
- ✓ Wide rear doors
- ✓ Multiple body configurations
- ✓ Practical loading height

Ideal for carrying:

- Tools
 - Equipment
 - Materials
 - Deliveries
 - Specialist items
-

Driver Comfort & Technology

Large vans are often used every day, making driver comfort increasingly important.

Popular features include:

- ✓ Air conditioning
 - ✓ Cruise control
 - ✓ Apple CarPlay
 - ✓ Android Auto
 - ✓ Parking sensors
 - ✓ Reversing camera
-

2. Citroën Relay Specifications Explained

Specification levels vary depending on model year.

Popular UK specifications include:

- X
 - Worker
 - Enterprise
-

Citroën Relay X

Who is it designed for?

Businesses looking for a practical and reliable work van.

The X specification focuses on:

- ✓ Value
- ✓ Functionality
- ✓ Everyday practicality

Ideal for businesses needing a dependable commercial vehicle.

Citroën Relay Worker

Who is it designed for?

Businesses operating in demanding environments.

Benefits may include:

- ✓ Enhanced durability
- ✓ Practical features
- ✓ Improved working capability

Suitable for construction and trade industries.

Citroën Relay Enterprise

Who is it designed for?

Customers wanting additional comfort and technology.

Benefits may include:

- ✓ Improved connectivity
- ✓ Extra convenience features
- ✓ Enhanced driver experience

Popular with professional users covering high mileage.

3. Body Size & Configuration Options Explained

Choosing the correct Citroën Relay size is essential.

Your choice should depend on:

- Equipment carried
 - Daily workload
 - Parking requirements
 - Business needs
-

Short Wheelbase (SWB)

Ideal for:

- ✓ Urban driving
- ✓ Businesses requiring manoeuvrability
- ✓ Smaller load requirements

Benefits:

- Easier parking
 - More compact dimensions
-

Medium Wheelbase (MWB)

A popular balance between size and capacity.

Ideal for:

- ✓ General trade work
- ✓ Delivery businesses
- ✓ Everyday commercial use

Benefits:

- Excellent practicality

- Flexible business solution
-

Long Wheelbase (LWB)

Best suited for:

- ✓ Larger equipment
- ✓ Maximum carrying requirements
- ✓ Businesses needing additional space

Benefits:

- Increased load capacity
 - Greater flexibility
-

4. Engine & Transmission Options

The Citroën Relay is powered by efficient diesel engines designed for commercial use.

Popular engine options include:

- 2.2 BlueHDi diesel engines
-

2.2 BlueHDi Engine

Designed to provide:

- ✓ Strong reliability
 - ✓ Good fuel efficiency
 - ✓ Everyday commercial performance
 - ✓ Suitable load capability
-

Euro 6 Engines

Many customers specifically look for Euro 6 Relay models.

Benefits include:

- ✓ Modern emissions compliance
 - ✓ Wider UK usability
 - ✓ Better future suitability
-

Manual Transmission

Benefits:

- ✓ Lower purchase cost
 - ✓ Familiar driving experience
 - ✓ Proven reliability
-

5. Top 5 Features Customers Look For

1. Three Front Seats

A key requirement for many businesses.

Benefits:

- ✓ Driver plus two passengers
 - ✓ Better team flexibility
 - ✓ Improved practicality
-

2. Air Conditioning

One of the most requested features.

Essential for drivers spending long periods in their van.

3. Cruise Control

Popular with customers covering longer journeys.

Benefits:

- ✓ Improved comfort
 - ✓ Reduced fatigue
 - ✓ Easier motorway driving
-

4. Apple CarPlay & Android Auto

Modern connectivity is now an important buying factor.

Benefits:

- ✓ Navigation
 - ✓ Hands-free communication
 - ✓ Music streaming
-

5. Parking Sensors & Reversing Camera

Important for larger vehicles.

Benefits:

- ✓ Easier manoeuvring
 - ✓ Increased confidence
 - ✓ Safer parking
-

6. Popular Optional Extras Worth Looking For

Desirable features include:

- ✓ Reversing camera
 - ✓ Satellite navigation
 - ✓ Heated seats
 - ✓ Alloy wheels
 - ✓ Ply lining
 - ✓ Tow bar
 - ✓ Safety assistance systems
-

7. What To Check When Buying A Used Citroën Relay

Before purchasing, we recommend checking:

Service History

A complete maintenance record provides confidence and helps protect future value.

Condition

Check:

- Bodywork condition
- Interior wear

- Signs of heavy commercial use
 - Previous repairs
-

Specification

Higher specification examples are often more desirable and easier to resell.

8. Running Costs & Ownership

A van is an important business investment.

Servicing

Regular servicing helps maintain reliability and reduce unexpected downtime.

Fuel Economy

Efficiency depends on:

- Driving style
 - Payload
 - Mileage
 - Maintenance
-

Maintenance

Commercial vehicles work hard, making preventative maintenance essential.

9. Is The Citroën Relay Right For Your Business?

The Citroën Relay is suitable for:

Tradespeople

Perfect for builders, electricians and contractors requiring maximum space.

Delivery Businesses

Excellent carrying capacity for daily operations.

Fleet Operators

A practical choice for businesses managing multiple vans.

Growing Businesses

A commercial vehicle capable of supporting expansion.

10. DT Automotive Expert Insight

At DT Automotive, we believe the Citroën Relay is one of the most practical large vans available in the UK.

When choosing a Relay, we recommend looking for:

- ✓ Euro 6 engine
- ✓ Full service history
- ✓ Three seats
- ✓ Air conditioning
- ✓ Cruise control
- ✓ Apple CarPlay
- ✓ Parking sensors

A correctly specified Citroën Relay provides businesses with excellent practicality, reliability and long-term value.

11. Frequently Asked Questions

Is the Citroën Relay reliable?

The Citroën Relay has built a strong reputation for practicality, reliability and everyday business use.

Does the Citroën Relay have three seats?

Yes, many models are available with three front seats.

Is the Citroën Relay bigger than the Citroën Dispatch?

Yes. The Relay is a larger panel van designed for businesses requiring more carrying capacity.
